

TITAN OPERATING, LLC

October 5, 2009

Barnett, John
1234 Emerson Dr
Southlake Tx 76148-3437

Titan Operating, LLC, is pleased to advise you they will soon be conducting a geophysical survey in your area. This geophysical survey allows a 3D view of the subsurface and is one more step in the process for the successful and efficient development of your oil and gas minerals. Enclosed is a geophysical permit packet that will expedite the gathering and releasing of the geophysical data to Titan for analysis. Please note, some of the questions asked on the questionnaire (ie: questions about water wells, locked gates, livestock and crops) are directed to large tracts of land, which make up only a portion of the survey area.

Norwood Land Services, LLC, as agent for Titan Operating, LLC, will coordinate the acquisition of geophysical seismic permits. For an overview of the geophysical survey process and for answers to frequently asked questions please visit www.titanoperating.com and select the geophysical survey link. For other questions please contact your permit agent by phone or email address listed below. Information contained on the geophysical survey link is also available on Norwood Land Services web site at www.norwoodland.com.

Owners of more than one parcel of land will receive a permit packet and questionnaire for each parcel. Although you may not receive permit packets for each of your parcels at the same time, it is important that you complete the permit packet for each parcel you own. Upon receipt of your packet, **please sign and immediately return one copy of the permit with the completed questionnaire (a copy for your records is also enclosed); the form does NOT need to be notarized.** Your prompt attention and cooperation is greatly appreciated. Thank you very much for your assistance in this matter.

Sincerely,

Mark Schumacher
President

Corrections

TITAN Operating, LLC, and their appointed agents hereby request access to the property described below for a geophysical survey on lands and/or minerals owned or leased by you described as follows:

Tax ID	Undivided Interest	Acreage	Subdivision / Survey	Physical Description
5227478	100%	0.5	Blk 1 Lot 1 Country Walk Addition	1234 Davis Blvd

TITAN Operating, LLC, is aware of the potential for surface or crop disturbances and for possible disruption to your activities on the property. To minimize this potential, our contractors will work very closely with you in planning and conducting our activities on your property. The following list of conditions will be adhered to by our contractors at all times:

PERMIT CONDITIONS

1. State and County Regulations designed to protect water wells, springs and ponds will be strictly observed.
2. All livestock, crops and other facilities will be treated in a prudent manner.
3. Existing roads and trails will be utilized wherever possible. All gates and fences will be left as they are found.
4. Energy source will be mechanical (Vibroseis).
5. At the close of operations all debris generated by geophysical operations will be removed.
6. Surface disturbance to the property will be minimized.
7. Titan Operating, LLC, will assume responsibility for any required restoration of property which is the direct result of our contractor's negligent activities on lands covered by this permit.
8. Titan Operating, LLC, will indemnify the Owner or Lessee of the lands covered by this permit, from and against all claims and loss or damage to property arising directly from the geophysical activities under this permit.

We thank you for your cooperation in granting this permit. To allow for unforeseen delays in conducting and completing the survey, we ask this permit remain valid for a period of two years from the signing date of this request.
